

1st CRE Report

Date: 6th April 2020

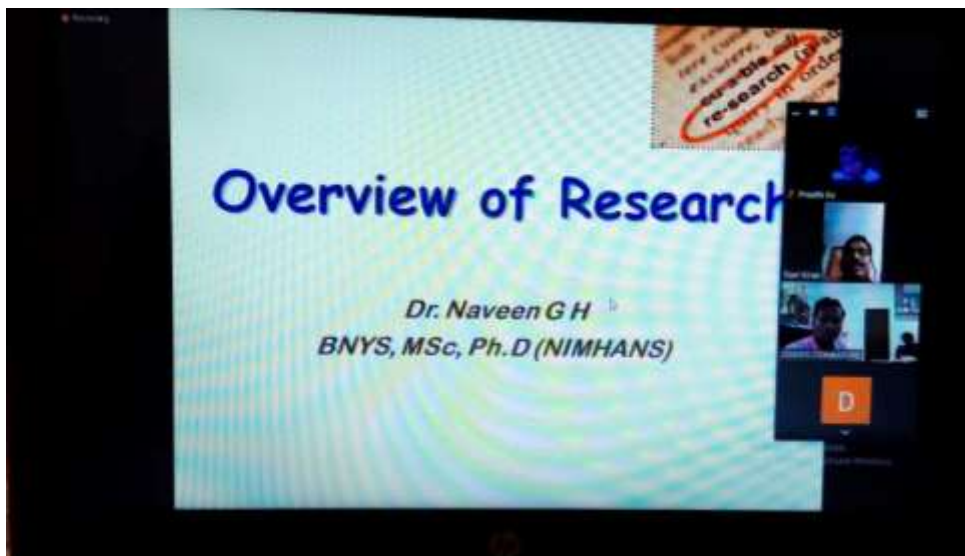

Time: 4:45 pm –5:45 pm

Speaker: Dr Naveen GH, Principal and CMO, JSSINYS

Participants: All teaching faculty

Session Type: Virtual Session (Zoom Software)

The session was an overview into research methodology. Speaker discussed the various areas where scientific research can be applied. He also mentioned how to start with a topic and how to take further steps while conducting a research. He also showed model research protocol and explained it. The session removed the opaque effect of research from the participants. The session concluded with an effective question answer session which even instilled more knowledge on the participants.

Report prepared by
