

10th CME Report

Date: 23rd May 2020

Time: 2:30 pm – 4:00 pm

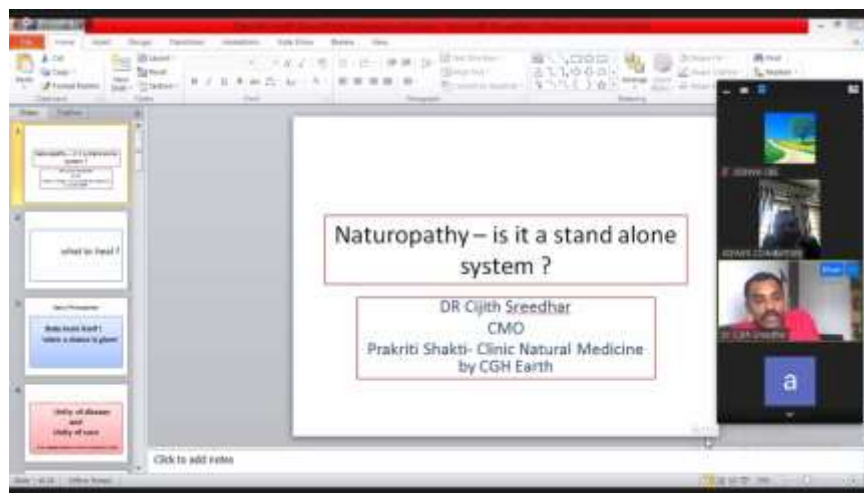

Speaker: Dr. Cijith Sreedhar, CMO, Prakriti Sakthi – Clinic Natural Medicine by CGH Earth

Title: Naturopathy – Is it a stand-alone system

Participants: Principal, all teaching faculty, interns and final year students

Session Type: Virtual Session (Zoom software)

The speaker highlighted the uniqueness of the principles of Naturopathy and showed how different is the system from the other ones. The principles were explained clearly with examples and experiences. He even showed the possible pathogenic mechanism of evolution of disease according to the concept of Naturopathy. He deeply explained the exact meaning of unity of disease and unity of cure with help of modern medicine concepts. Participants were actively involved and the session was an interactive one. The doubts were cleared by the speaker effectively. The session improved the understanding of the philosophical concepts of Naturopathy among the participants.
