

3rd CRE REPORT

Dr. Naresh Kumar gave insights on the topic “Literature Search” for the 3rd CRE program. The session was conducted between 3:00 to 4:00 pm on 31st October 2020. Doctors, interns and final year students attended the online zoom session. He explained the procedure to do a proper literature search which helps us to build a strong evidence for the content we prepare. He also elaborated on the technical usage of key words in finding the literature in standardized scientific research search engines. The interactive session led the participants to understand the concepts clearly and clarified their doubts as well.
