

CASE PRESENTATION – 15

A Case Presentation was done by Ms. Kajal, Internee, JSSINYS on 17th December, 2020 from 1:30 pm to 2:30 pm. She presented on the topic 'osteoarthritis of knee joints'. The presentation was attended by Principal, all teaching faculty and interns of JSSINYS and also through Zoom Platform by all the interns who are deputed in other Hospitals. The presentation was explained with all the treatment modalities which were prescribed to the patient. The department wise in charge Doctors shared their insights from their knowledge and experience. The session was good.
