

Report on 1st CME

Every week Continued Medical Education (CME) is conducted in the College to improve and refresh the clinical and academic knowledge of the doctors, interns and students. On 9th January 2021, 1st CME of the year 2021 was conducted both virtually and physically from 2:30 to 3:30 pm. Dr. Ravikiran, Professor cum Senior Medical Officer was the speaker of the session and he spoke on “Chromotherapy and Magnetotherapy”, topic explaining the historical as well as therapeutic effects of the therapies. Teaching faculty and final year students attended the session physically and interns attended the session virtually through zoom software. Doubts were clarified by the speaker following the session.
