

REPORT ON FACULTY ENRICHMENT PROGRAM – FEBRUARY 2021

As part of faculty enrichment program for the month of February, cultural events were organised which included dumb charadhs, and truth or dare. The teaching faculty participated with full cheer and enjoyed the event completely. This helped our faculty to get rid of stress and the event was conducted from 02.30 pm to 03.30 pm on 27/02/2021.
