

## Report on 2<sup>nd</sup> CME

Every week Continued Medical Education (CME) is conducted in the College to improve and refresh the clinical and academic knowledge of the doctors, interns and students. On 6<sup>th</sup> February 2021, CME was conducted both virtually and physically from 2:30 to 3:30 pm. Dr. M. Ezhil Ratnakumari, Professor cum Medical Officer, Department of Physiology was the speaker of the session and she spoke on “Role of Naturopathy in Oxidative stress”, topic explaining from the normal biochemical mechanism to the factors which affect this normal to pathophysiology of oxidative stress. Then brief explanation on role of selective Naturopathy treatments was done. Faculty and final year students attended the session physically and interns attended the session virtually through zoom software. Doubts were clarified clearly by the speaker following the session.

Report prepared by  
Dr. Preethi. K. S,  
Lecturer cum Medical Officer.
