

Report on invited presentation

Dr. Jincy Sundaran gave a talk on “Z Generation Facilitation Techniques” as part of the 5 days Faculty Development Program with the theme ‘Development of quality improvement processes’ conducted from 19.07.2021 to 23.07.2021. The program was organized by the Department of Science and Humanities, Nehru Institute of Engineering and Technology, Coimbatore. She was one among the five speakers who led the event. The session was aimed at improving the perception of Faculty towards the new generation and facilitating techniques that can handle them in a better way rather than sticking on to old orthodox methodologies.
