

Report on CME-09

Every week either Continued Medical Education (CME) or Continued Research Education (CRE) is conducted at the college to improve and refresh the clinical and academic knowledge of the doctors, interns and students. On 24th July 2021, CME was conducted virtually from 2:30 to 3:00 pm. **Dr. VENKATESAN**, Assistant Professor and Medical Officer, Department of Acupuncture and Department Of Human Anatomy' was the speaker of the session and he spoke on '**TONGUE DIAGNOSIS**', clearly explained how to practice tongue diagnosis with lot of picture reference. Faculty and interns attended the session physically. Doubts were clarified clearly by the speaker following the session.
