

Report on a webinar on Research Communication, Conducting an Effective PubMed search

A webinar titled Research Communication, Conducting an Effective PubMed search was organized by JSS College of Physiotherapy through zoom platform on 28th July 2021 from 2:00 to 3:00 pm. The speaker of the webinar was Mr. Lenny Vasanthan, Lecturer in Physiotherapy, CMC, Vellore. The webinar was held on an interactive mode with hands-on training in the PubMed website to enhance the knowledge of effective search with appropriate usage of keywords. The advanced search was also taught in the webinar. All the teaching faculty attended the webinar and experienced themselves through the hands-on training.
