

Report on Case Presentation-08

Every week case presentation is conducted at the college to improve clinical knowledge and presentation skills of the interns. On 6th May 2021, case presentation was conducted virtually from 2:30 to 4:00 pm. **Mr. Navaneedhan**, CRRI presented on '**HYPOTHYROIDISM**', a case discussion of patient at JSS Nature Cure Hospital and management through Naturopathy and Yoga. Faculty, interns and final year students attended the session virtually. Doubts were clarified clearly by the speaker and faculty following the session.
