

Report on CME-07

Every week either Continued Medical Education (CME) or Continued Research Education (CRE) is conducted at the college to improve and refresh the clinical and academic knowledge of the doctors, interns and students. On July 3rd 2021, CME was conducted virtually from 2:30 to 3:00 pm. **Dr. PADMASREE M**, Lecturer and Medical Officer was the speaker of the session and she spoke on '**GERM ORGAN THEORY**', a discussion on opinion article describes the concept that host control over the microbial ecosystem in the colon is critical for the composition and function of our microbial organ, which provides a theoretical framework for linking microorganisms to non-communicable diseases. Faculty and interns attended the session physically. Doubts were clarified clearly by the speaker following the session.
