

Report on World Environment Day – Sapling plantation

On 7th June 2021, on the occasion of World Environment Day, the Principal Dr. Dhillip V. R and other doctors gave a health talk on the importance of greens and oxygen and also highlighted on the benefits provided by the earth to all non-teaching staff, housekeeping staff and gardeners which was followed by plantation of saplings. Trees like Alexandrian Laurel, teak wood, bamboo, jamun, mango, bur flower trees were planted all around the 55 acres of the college campus.
