

## Report on CRE-05

Every week either Continued Medical Education (CME) or Continued Research Education (CRE) is conducted at the college to improve and refresh the clinical and academic knowledge of the doctors, interns and students. On 18<sup>th</sup> September 2021, journal club was conducted from 2:30 to 3:00 pm. **Dr. Ramya**, Lecturer and Medical Officer, Department of Massage and Pharmacology' was the speaker of the session and she spoke on '**Investigating the mechanism of massage efficacy: The role of mechanical immunomodulation**' article. Faculty and interns attended the session physically. Doubts were clarified clearly by the speaker following the session.
