

Report on Case Presentation-12

Every week case presentation is conducted at the college to improve clinical knowledge and presentation skills of the interns. On 10th July 2021, case presentation was conducted physically from 2:30 to 4:00 pm. **Ms. SUSHANTHIKA.V.B**, CRRI presented on '**Keratosus Obturans**', a case discussion of patient at JSS Nature Cure Hospital and Naturopathic way to deal keratosus obturans. Faculty and interns attended the session physically; final year students attended the session virtually. Doubts were clarified clearly by the speaker and faculty following the session.
