

Report on Case Presentation-19

Every week case presentation is conducted at the College to improve clinical knowledge and presentation skills of the interns. On 8th Dec 2021, case presentation was conducted physically from 4:45 to 5:30 pm. Mr. Annamalai, CRRI presented on 'Cirrhosis of liver', a case discussion of patient admitted at JSS Nature Cure Hospital and management through Naturopathy and Yoga. Faculty and interns attended the session physically. Doubts were clarified clearly by the speaker and faculty following the session.
