

Report on Webinar on ‘Pedagogy in Higher Education – A paradigm shift from offline to online

JSS Health Science Institutions conducted a webinar on 13th May 2021. The topic of the webinar is ‘Pedagogy in Higher Education – A paradigm shift from offline to online’. The technical moderator for the webinar was undertaken by Dr. Dhilip V. R, Principal, JSS Institute of Naturopathy and Yogic Sciences, Coimbatore. The session was held from 2:00 pm – 5:00 pm. The webinar showcased various tools and techniques which can be used online to improve concentration and involvement during the online classes. The lacunae faced by the teacher as well as students were pointed out and methods to tackle them were discussed. The session was a good orientation one for the entire teaching faculty.
