

Report on CME-14

Every week either Continued Medical Education (CME) or Continued Research Education (CRE) is conducted at the college to improve and refresh the clinical and academic knowledge of the doctors, interns and students. On 14th August 2021, CME was conducted virtually from 2:30 to 3:00 pm. **Dr. THARIMA.K.L**, Assistant professor and Medical Officer, Department of Nutrition and Dietetics' was the speaker of the session and she spoke on '**Fasting & Covid 19**' – which laid stress on details on metabolic effect of body when a person undergoes fasting. Faculty and interns attended the session physically. Doubts were clarified clearly by the speaker following the session.
