

Report on CME-06

Every week either Continued Medical Education (CME) or Continued Research Education (CRE) is conducted at the college to improve and refresh the clinical and academic knowledge of the doctors, interns and students. On **22nd May** 2021, Continued Medical Education was conducted virtually from 2:30 to 4:00 pm. **Dr. Lakshmi**, Lecturer and Medical Officer was the speaker of the session and she spoke on '**Early Intervention Strategies To Combat Covid**', a discussion on current pandemic condition and early interventions through Naturopathy and Yoga especially on Aromatherapy and Fasting. Faculty and interns attended the session virtually. Doubts were clarified clearly by the speaker following the session.
