

Report on World Rabies Day Health Talk – 14

On 28th Sep 2021, on account of World Rabies Day, Dr. Asveedha gave an online health talk on the topic of 'Rabies Facts, not Fear' in the Facebook page. She highlighted the facts about Rabies and gave knowledge to overcome from the fear about the disease. The information was very useful and enlightened the virtual audience about the disease and its various preventive measures and Naturopathic treatments.
