

Report on CME-15

Every week either Continued Medical Education (CME) or Continued Research Education (CRE) is conducted at the college to improve and refresh the clinical and academic knowledge of the doctors, interns and students. On 20th August 2021, CME was conducted from 2:30 to 3:00 pm. **Dr. KIRTHIGA.P**, Lecturer and Medical Officer, Department of Physiotherapy was the speaker of the session and she spoke on **Covid 19 and vitamin D**. She detailed on the mechanism of sunlight and metabolic effects of body during Covid 19. Faculty and interns attended the session physically. Doubts were clarified clearly by the speaker following the session.
