

Report on Case Presentation-13

Every week case presentation is conducted at the college to improve clinical knowledge and presentation skills of the interns. On 16th July 2021, case presentation was conducted physically from 2:30 to 4:00 pm. **Ms. NANDHINI. S**, CRRI presented on '**Post Covid Complications**', a case discussion of patient at JSS Nature Cure Hospital and management through Naturopathy and Yoga. Faculty, interns attended the session physically and final year students attended virtually. Doubts were clarified clearly by the speaker and faculty following the session.
